IELTS Intensive Course

IELTS (International English Language Testing System) is a highly regarded international test of English language proficiency. IELTS is recognized by professional bodies, academic institutions and immigration authorities as test of proficiency in English Language. It is primarily used by people seeking an international education, professional development, or by those seeking to satisfy migration requirements. IELTS is now accepted by most universities in the UK, Australia, Canada and New Zealand, and by universities, colleges and faculties in the United States as an alternative to TOEFL.
