Effective Training
Begins Here!

We provide one stop training solution to students, alumni, individuals, communities and businesses through workshops, seminars, short courses on professional, managerial, technical and soft skills which are conducted on a regular basis.

As an Approved Training Provider of Pembangunan Sumber Manusia Berhad (PSMB), we offer quality and effective training programmes for individuals to learn and enhance essential knowledge and skills required at the workplace and to become more competitive in the market.

At CPE, we assist our clients to fulfill their training needs by offering customised in-house programme that is specifically tailored to meet our client’s organisation training needs and goals. We work with various clients in order to fully understand their needs and to deliver practical training solutions that will give incredible results.

TEACHER DEVELOPMENT PROGRAMMES

We offer comprehensive range of Teacher Development workshops to help teaching professionals to develop their knowledge and skills required of an effective educator. These workshops are designed to enhance participants pedagogical skills that is necessary for becoming a more effective and well-rounded teaching professional.

PROFESSIONAL AND TECHNICAL DEVELOPMENT PROGRAMMES

We offer examination focused revision courses on professional and technical qualifications such as ACCA, AXP, CCNA, CIM, CFA, CFP, CIMA and ICSA. These revision courses are facilitated by qualified and experienced facilitators from the industries. CPE is the Global Learning Premium Partner for CIMA and also the appointed Education Provider for Certified Financial Planner (CFP).

CONFERENCES

At CPE, we play an active role in organising conferences for the University College. The Centre is the Secretariat for the TAR UC International Conferences on Learning and Teaching which is organised to promote and share research knowledge, experiences and expertise on developments in learning and teaching, as well as, best practices in higher education.

VOCATIONAL AND LIFELONG LEARNING

In support of lifelong learning, we conduct courses that enhance the personal, social and cultural interests of individuals on topics such as health, fitness, dance and sport, living skills, and cooking. Skill-based short courses are also conducted in collaboration with branch and faculty branch campuses for the public to master basic hands-on skills to enhance their personal development. These programmes range from Information Technology to beauty, hairstyling, grooming, baking and cake decoration.

LANGUAGE SHORT COURSES

A variety of language short courses such as English, Japanese, French, Korean and Mandarin are offered for students, staff, alumni and public at CPE.

The AELE 0364 English Language (1119) course is offered with assessment that can be used to satisfy the University College’s English Language entry requirement. Intensive classes are also conducted to prepare students for the Malaysian University English Test (MUET) and IELTS examination.

KOREAN LANGUAGE CENTRE

The Korean Language Centre at CPE was established in December 2015 in collaboration with Dankook University Korea (DKU). Comprehensive Korean Language courses are conducted with customized curriculum from DKU to prepare students for the Test of Proficiency in Korean (TOPIK) which is the admission requirement into Korean universities.
