## Professional & Certification Programme

Instructor: Mr Duncan Oh

St John Ambulance Malaysia, Selangor

The CPE in collaboration with the Faculty of Applied Sciences (Department of Sport Science) will be organising a Basic First Aide & CPR training course for TAR UMT students. This course emphasis on the emergency procedures that can be carried out immediately if there are any injuries in the workplace. This course is highly hands-on and will enable participants to be prepared in carrying out their role as a First Aider. By completing the course, you will have confidence and knowledge to deal with first aid emergencies. Successful participants will be awarded a Basic First Aid Certificate (valid for 3 years).
