

# Sibling Discount

## (for Malaysians only)

First-time registered students pursuing Foundation/Diploma/Bachelor Degree programmes (full-time) and with siblings studying at TAR UMT may apply for **sibling discount of RM1,000**.

### ELIGIBILITY CRITERIA

1. **First-time registered students** (thereafter referred to as 'Applicants') must have paid full fees/paid fees (by installment) for the semester of the intake enrolled.
2. By end of the semester first enrolled, **applicants** must:
  - i) still be active students pursuing the programme
  - ii) have paid full fees for the semester
  - iii) not be receiving any scholarship/grant/bursary/tuition fee concession offered by TAR UMT or any other organisations
  - iv) not be on deferment of study
3. **Applicant's sibling** must be currently pursuing Foundation/Diploma/Bachelor Degree/Postgraduate programmes (full-time) and are full-fee paying students in the same semester.
4. By end of the semester, the **siblings** must **NOT** fall under any of the following:-
  - i) graduated from their programme
  - ii) withdrawn from their programme
  - iii) on deferment of study
  - iv) repeating their year of study and not permitted to proceed to the next year of study
  - v) have completed the programme within the minimum duration of study but with outstanding/failed course(s)/thesis/research project
  - vi) have any outstanding fees
5. The applicant and sibling must have one or both parents in common. This does not include family members outside sibling relationship such as fostered, step-brother/step-sister, godbrother/godsister etc.
6. If the applicant and sibling are both first-time registered students, only ONE may be considered. If they have another sibling who is an existing student, BOTH may be considered.
7. Applicants on Conditional Offer of Admission may only apply for sibling discount after they have been offered and accepted the FULL OFFER OF ADMISSION.

Scan to apply

### HOW TO APPLY

Via **Student Intranet**.

The Applicant and sibling Birth Certificates must be uploaded in the application.
