PREPARATORY MODULES
CAMBRIDGE INTERNATIONAL A LEVEL 2026

INTRODUCTION

With an illustrious track record as a Cambridge International School, TAR UMT offers a series of stand-alone micro-credential modules designed to prepare Malaysian students studying for the Cambridge International A Level qualification. These preparatory micro-credential modules are aligned with the Cambridge International A Level syllabus.

Upon completing all required micro-credential modules, learners may sit for the Cambridge International A Level examination and earn the globally-recognised GCE A Level certificate from Cambridge International Education.

WHY A LEVEL AT TAR UMT?

We are one of the few Cambridge International Schools in Malaysia consistently winning awards at the Outstanding Cambridge Learner Awards.

Our students have won **Top in the World, Top in Malaysia, and High Achievement** awards in Mathematics, Further Mathematics, Business, Accounting, Biology, Economics, English General Paper, and Computing.

Cambridge-trained experienced A Level lecturers with postgraduate qualifications.

Study at the largest private university campus in Kuala Lumpur with comprehensive facilities and a vibrant student life.

Competitive fees and generous fee waivers for SPM/IGCSE high achievers.

Many of our students have been accepted into and graduated from the world's top universities e.g.:

- Massachusetts Institute of Technology
- University of Oxford
- Imperial College London
- University of Edinburgh
- Australian National University
- National University of Singapore
- Nanyang Technological University
- University of Hong Kong
- University of Sydney
- Tsinghua University
- Peking University
- London School of Economics
- etc.

Cambridge International A Level subjects:

OUTSTANDING CAMBRIDGE LEARNER AWARDS

We are one of the few elite Cambridge International Schools in Malaysia to consistently win awards at the Outstanding Cambridge Learner Awards for both A Level and AS Level.

TOP IN THE WORLD

is awarded to learners who have achieved the highest standard mark in the world for a single subject.

TOP IN MALAYSIA

is awarded to learners who have achieved the highest standard mark in their country for a single subject.

HIGH ACHIEVEMENT

is awarded to learners who have achieved outstanding results in subjects which are not so widely taken and which, under the current criteria, would not qualify for 'Top in Malaysia'.

SUCCESS STORY

Outstanding Cambridge Learner Awards

Ready for the world

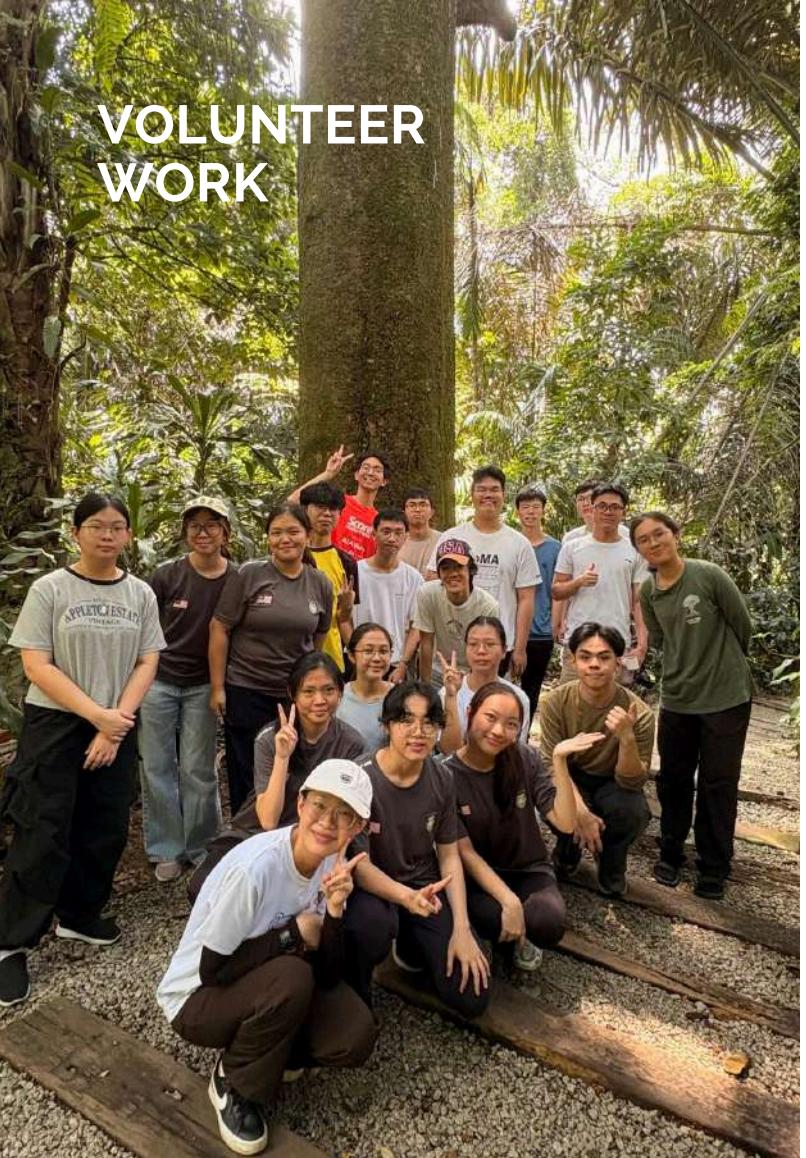

Photo: Esther with Mr Ng Kim Huat, Country Director for Cambridge International Education in Malaysia and Brunei.

“TAR UMT is an excellent place to study A Level. The lecturers are genuinely supportive, often taking time to help students even after class – which really helps in mastering the subjects. Campus life is lively and enjoyable, with extensive facilities and comfortable spaces to study or unwind. I also received a generous tuition fee waiver based on my SPM results, making it very affordable to obtain a globally recognised qualification. TAR UMT truly delivers both academic excellence and a fulfilling student experience.”
