

ARACHEM SCHOLARSHIP

Background

Arachem (M) Sdn Bhd success lies in its commitment in consistently delivering quality products and services. Since the inception in 1990, the company has evolved into a progressive company – renowned and highly respected as the country's leading provider of the world's most advanced scientific and engineering systems and equipment. The company is also highly sought by the private sectors and government agencies for up-to-date product knowledge and technical expertise. As the main marketer and service provider of cutting edge scientific and engineering product lines, Arachem continues to attract a diverse portfolio of clients involved in various industries, notably water and wastewater treatment, food and beverage, agriculture, aquaculture, animal health diagnostic, chemical manufacturing as well as pharmaceutical.
