

HOTAYI Scholarship

Introduction of the Hotayi & Hotayi Scholarship

Hotayi Electronic is a leading Global Electronics Manufacturing Services (EMS) company that provides a wide range of value-added manufacturing solutions and services such as PCB assembly, system integration till box build. Founded in 1992, the company has achieved remarkable international milestones under the leadership of the chairman, Dato' Seri Lee Hung Lung.

Hotayi has invested heavily in a new facility at Batu Kawan Industrial Park (BKIP) at Penang with the following three elements in mind: Smart, Green & Nature.

Talents from all over the world were called together to accomplish this landmark factory and the facility at Batu Kawan became a landmark factory unlike any.

Hotayi recognizes that talents are at the heart of the company. Over the years, Hotayi has been able to meet all customers' demands and requirements and the company attributes these successes to the strong teamwork within the company. Hotayi strives to create a platform where talents from all areas can gather, work together, learn together, grow together, and accomplish the impossible as a team.

Hotayi offers scholarship opportunities made available for students. Hotayi aims to make higher education more accessible and affordable for anyone struggling during hard times.

We believe every individual deserves a brighter future and we shall help you to make it happen.
