

GRADUATE MANAGEMENT PROGRAMME

Year 2021 Programme

AT CMG, THE SECRET TO A **MEANINGFUL** LIFE IS SIMPLER THAN YOU THINK

We enhance customer experience and set standards of excellence on our deliverables.

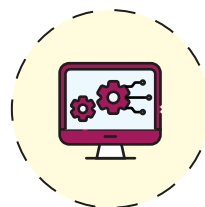

We passionately contribute in 8 solution areas through inspiration, transformation and great innovation!

Data Science & Augmented Analytics

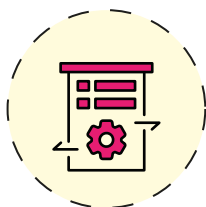

Customised Industry Solutions

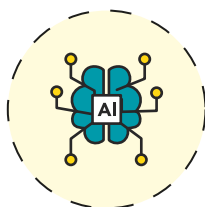

System Integration

Control Centre & Nationwide Support Services

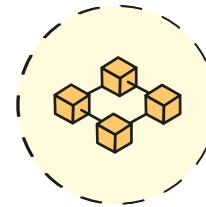

IT Outsourcing

SaaS Solutions and Artificial Intelligence

Performance-Based Digital Marketing

Blockchain Development & Management

At CMG, we care deeply about our teams and the people who make up them. In order to truly build for everyone, we need people with diverse skill sets, knowledge, ideas and experiences to form a creative team.

Consider all the best, most interesting elements of your studies, exams, theses, internships, part time jobs and let them come together to create a picture of where you want to go in your career. We offer various positions for you to create, innovate and contribute to the next business milestone of CMG. You are working with industry's best personnel to be the key member of this exciting journey.

Graduate Management Programme

Requirements:

- Individual with a strong desire to succeed.
- Creative.
- Have a degree with great academic results and is relevant to the following disciplines:
IT, Technology, Business, Accounting, Sales & Marketing, Human Resource, Legal.
- Team player who is able to contribute to great ideas and execution plans.

** There is no application format that you need to follow. Talk a bit about yourself and share your academic results. You could also share your part time work experiences, extra-curricular activities, story and your belief in something that you are doing now or you plan to do.*

*** Shortlisted candidates will be placed in CMG group of companies. Top candidates will be given a chance by CMG to set up and lead an incubator unit where you will be offered a substantial share as part of the management team.*

**** Shortlisted candidates who are called for a physical interview at CMG's HQ are able to claim transport allowance of RM80 per interview session.*

Scholarship & Sponsorship Programme

We have an ongoing process to encourage individuals to embed new skills, knowledge, strategy and innovation practices. Over the years, CMG invested and facilitated the ongoing growth of our employees. We aim to dynamically transform everyone to stay competitive in everything we do. We open up this opportunity to students as part of CMG's family.

Available Programmes
