

Stand out to your future employers with an internationally-recognised Dual Award degree

- Gain a highly regarded UK degree and enhance your Malaysian qualification with UK study experience
- Graduate with two degree certificates
- Increase your employment opportunities with a global perspective on your subject area
- Improve your English language skills with teaching from UK-based academics throughout the Dual Award
- Spend three months in a friendly, welcoming city with opportunities to study and socialise with students from the UK and all over the world.
- Prepare for your career by practising skills you'll need in the workplace, such as delivering presentations, working in groups and writing reports.
