Working together

Tunku Abdul Rahman University College (TAR UC) and Coventry University have established a strong academic and cultural relationship that has supported over 1,000 TAR UC students in graduating with an internationally recognised UK degree from Coventry University. Quality teaching, employable graduates, strong links with industry, and an innovative and dynamic approach to learning are just a few of the many advantages to studying a Coventry University degree award at TAR UC.

We provide TAR UC students with the opportunity to gain a valuable international educational experience in two ways.

1) Coventry University degree award

Working closely together to compare and evaluate course specifications, we offer a range of degrees which are recognised and awarded by both institutions. Upon successful completion of the degree programme, students will graduate with two degree certificates: one from TAR UC and the other from Coventry University. Coventry's award is one of the university's named degrees; the same qualification as those awarded to our students based at our campus in the UK.

2) Study abroad*

Students enrolled on one of our Coventry University programmes can also choose to spend one semester studying at Coventry University's campus in the UK. The modules studied during this semester will be the same as those studied by Coventry's UK-based students. You will have access to the same state-of-the-art facilities, teaching methods, lecturers and on-campus activities as our UK-based students. You will experience UK higher education, student life and British culture first hand.

*Students must pass all TAR UC modules in order to take part in the study abroad semester.

Coventry University degree award

Our degrees are offered across a range of programmes in business, finance, human resources and marketing. Students studying the TAR UC programmes listed below are able to register to gain the Coventry University degree award listed in the next column. Upon successful completion of the programme, students will gain degree certificates from both courses as listed below*:

TAR UC degree award	Coventry University degree award
Faculty of Accountancy, Finance and Business	Faculty of Business and Law
Bachelor of Accounting (Hons)	Accountancy BA (Hons)
Bachelor of Finance (Hons)	Finance BSc (Hons)
Bachelor of Finance and Investment (Hons)	Finance BSc (Hons)
Bachelor of Banking and Finance (Hons)	Finance BSc (Hons)
Bachelor of Economics (Hons)	Financial Economics BA (Hons)
Bachelor of Business Administration (Hons) <small>(Note: Available in Kuala Lumpur, Penang, Perak, Sabah and Johor Campus)</small>	Business Administration BA (Hons)
Bachelor of Corporate Administration (Hons)	Business Administration BA (Hons)
Bachelor of Business (Hons) in Logistics and Supply Chain Management	Business Administration BA (Hons)
Bachelor of Business (Hons) in Entrepreneurship	Business Administration BA (Hons)
Bachelor of Business (Hons) in International Business	International Business Management BA (Hons)
Bachelor of Business (Hons) in Human Resource Management	Business and Human Resource Management BA (Hons)
Bachelor of Business (Hons) Accounting and Finance <small>(Note: Available in Penang, Perak, Sabah and Johor Campus)</small>	Accounting and Finance BA (Hons)
Bachelor of Business (Hons) International Business Management <small>(Note: Penang Campus only)</small>	International Business Management BA (Hons)
Bachelor of Business (Hons) in Marketing	Business and Marketing BA (Hons)

Benefits of studying a Coventry University degree

Studying a Coventry University degree at TAR UC will enhance your academic and cultural experience and strengthen your employability.

Academic benefits

- Gain a degree from a top 15 UK university for 5 years running*.
- Earn two degree certificates: one from TAR UC and one from Coventry University.
- Improved international recognition for your studies.
- Opportunity to engage with UK and other international students through collaborative learning projects.
- Access to study skills support and e-resources from the UK.
- International guest lectures from Coventry University academics who are experts in their field.

Employability benefits

- Improved employability.
- Improved English skills.
- Participation in the Global Leadership Skills module to help you gain additional workplace skills to add to your CV.

Cultural benefits

- International experience.
- Exclusive graduation event, option to graduate in either Malaysia or UK.
- Opportunity for one semester study in the UK.
- Field trip participation with incoming Coventry University students.

Global Leadership Skills module

The Global Leadership Skills module is exclusively available to Coventry University students studying degrees within the Faculty of Business and Law (FBL).

Delivered by Coventry University staff, the Global Leadership Skills module will further enhance and complement learnings from your degree programme. It will teach you additional business and employability skills and how to apply your degree to real business scenarios, in preparation for your further career. The programme is delivered through a series of lectures, workshops, and potential Collaborative Online International Learning (COIL) projects covering key business competencies including leadership, employability and intercultural competency skills.

For more information on the Global Leadership Skills module, please contact:

internationalisation.fbl@coventry.ac.uk

Study abroad

The Study Abroad semester is an option available to students enrolled on any of our degree programmes. Depending on your degree subject and the start date on your Coventry University degree, this will take place in your second, third or fourth year.

You will be able to experience the UK's internationally-renowned higher education system and student experience first-hand. You will be taught and assessed by Coventry University professors, and will experience life as a UK undergraduate student, allowing you to grow academically and benefit from the cultural experience of living in the UK. Studying abroad provides the opportunity to add value to your academic and professional profile, as many employers consider international study experience and strong English language skills to be valuable assets in the workplace.

Benefits of the Study Abroad semester

The many benefits of the Study Abroad semester will further enhance the academic and cultural benefits offered by the Coventry University degree award. Studying at a leading university in the UK will offer you a number of unique personal advantages:

Academic benefits

- Be taught by a variety of highly qualified UK academics.
- Experience our state-of-the-art facilities including our Trading Floor, Simulation Suite and Digital Lab.
- Experience the UK style of teaching.

Employment benefits

- Further build your academic knowledge and your professional skills to enhance your career development.
- Add value to your profile and CV.
- Gain the added prestige of a UK study experience.
- Strengthen your English language and communication skills.

Cultural benefits

- Improve your intercultural competence by engaging with UK and other international students at Coventry University.
- Experience a safe and friendly city centre atmosphere in our on-campus accommodation.
- Learn about UK culture.
- Enjoy field trips to famous sites around the UK (previous trips include London, York, Manchester, Shakespeare's Stratford-upon-Avon and Brighton).

Student life at Coventry University

Coventry is a diverse and vibrant student city, voted fifth best student city in the UK*. This, combined with our 89 per cent student satisfaction rate**, demonstrates the high level of academic teaching quality and student life that you can experience on your study abroad semester at Coventry.

Here are just some of the highlights of student life at Coventry:

1) A student city

Home to students from over 130 countries, Coventry is a friendly and multi-cultural student city. The low cost of living makes it an affordable place for students to live.

2) State-of-the-art facilities

We constantly invest in our facilities and teaching staff to ensure our students are equipped with the most up-to-date skills and knowledge before they enter the world of work. Over the last few years we have invested over £100 million in our campus facilities and buildings, including:

- new buildings and modern facilities for our faculties
- **TheHub**: a social and vibrant centre for student life complete with coffee shops, food hall, Student's Union and event space
- **thefutureworks**: our student recruitment centre
- smart Wi-Fi enabled campus, providing students with full access to the latest equipment and fast internet access both on campus and in student residences
- **£4m Sports Centre**: our well-equipped Sports Centre includes:
 - gym with modern equipment
 - Two sports halls for sports including badminton, table tennis, basketball
 - outdoor sports facilities
 - dance studio
 - scheduled classes, including yoga and boxing.

3) The British experience

In addition to your studies, there will be lots of opportunity for you to take part in many extra-curricular and cultural activities.

- Immerse yourself into the UK learning culture and meet UK and other international students outside the classroom in one of the many societies and extra curricular opportunities available.
- Learning about British history and experiencing British culture and etiquette.
- Field trips to explore other cities around the UK.

4) On-campus accommodation

Our campus is located in the heart of Coventry city, with on-campus, catered accommodation arranged for our Study Abroad students. Catered accommodation includes two meals a day Monday-Friday, with a kitchenette with rice cooker for you to cook your own meals with friends at weekends. You'll find the beautiful cathedral ruins, award-winning Herbert Art Gallery, cobbled lanes, Georgian architecture, cafés, shops and restaurants just a short walk away.

5) A vibrant city

The year 2021 is set to be a very special period for the Coventry as it becomes UK's City of Culture with a whole years worth of celebration. You can already see an increase in vibrant activity. As England's 11th largest city, Coventry is an exciting place to live with extensive arts, culture, heritage and plenty of events to keep you entertained. We are just one hour from London by train, or 20 minutes from the UK's second largest city, Birmingham.

6) Focused on employability

We pride ourselves on our practical approach to learning, which has helped us make sure that 97 per cent of Coventry University graduates are employed or in further study within six months of graduating***.

* QS Best Student Cities Index 2019.

**National Student Survey (NSS) 2017.

***DLHE survey, UG UK, 2016/17 (published 2018).

*Costs are based on programme rates for 2018/19 academic year and are subject to change. Flights to the UK are in addition to these costs.

Entry requirements

We recognise many different international high school qualifications for entry. You must meet one of the minimum requirements in order to apply for the TAR UC and associated Coventry University degrees and study abroad programmes.

Here's what our TAR UC-Coventry University degree award and study abroad students have said about their experience:

“Amazing! The experience of studying at Coventry University was so unique and memorable. We were supported with experienced teaching staff, modern student amenities such as the gymnasium, student hub and computer lab. If there is a downside, it would be that the entire journey was too short. The word ‘amazing’ will never be enough.”

Chan Wei Jie, degree award and study abroad student

“We are here to learn academically and here to learn about other people. And that’s one of the things I’ve enjoyed on my Study Abroad semester. My decision to do the Coventry University award was so that I could come out of my comfort zone and travel to a country I hadn’t been to before and to experience new cultures. Another reason for choosing Coventry was because they have world class facilities. I love the facilities, and the campus is very accommodating.”

Giovanni Gerard, Coventry University degree award and study abroad student (2017)
