

Bachelor of Arts (Honours) English with Drama

Programme Overview:

This programme aims to produce graduates with effective communication skills and fundamental knowledge of the English Language, as well as the skills in drama, to perform and communicate competently and effectively for professional employment in any organisation where the English Language is required as the medium of communication. This unique combination of both the practicality of the English Language as a vital language tool and the richness of performing arts will provide the graduates with a competitive advantage of possessing a good command of the language, as well as creative skills and talents.
