

TAR UC to Offer Double Degree

THROUGH a new partnership, Tunku Abdul Rahman University College (TAR UC) will be welcoming international business management students from an Indonesian university to its Kuala Lumpur main campus. The students will have the opportunity to pursue TAR UC's Bachelor of Business (Hons) in International Business under a double degree programme, according to a press release.

In a virtual ceremony on April 20, TAR UC president Prof Dr Lee Sze Wei signed the Memorandum of Agreement (MoA) with Indonesia's Universitas Ciputra Surabaya rector Yohannes Somawiharja. Based on the agreement, students who fulfil requirements will be conferred both TAR UC's Bachelor of Business (Hons) in International Business and Universitas Ciputra's Bachelor of International Business Management degrees.

In his speech, Prof Lee said, "This MoA is the first of its kind for TAR UC. We are proud to establish this strategic partnership with Universitas Ciputra, which I believe will be a first step to a beneficial relationship between our institutions." Yohannes said, "We cannot wait to work alongside TAR UC in all educational aspects such as broadening knowledge, developing research, and enriching both our academic programmes while fostering a strong partnership in the process."
