

Running for a worthy cause

FOLLOWING the success of its previous runs, TARCian Run 2017 is back for the third instalment.

Organised by the TARCian Alumni Association and Tunku Abdul Rahman University College (TAR UC), the theme for the run is "Run for Unity" in conjunction with the country's 60th National Day celebration.

The run will be held on Aug 13 at the national level and will be held concurrently at the TAR UC Kuala Lumpur Main Campus as well as TAR UC branch campuses in Penang, Perak, Johor and Sabah.

The aim is to raise funds towards the TARC Education Foundation to fund the construction of a Student Centre at the TAR UC Kuala Lumpur Main Campus.

The objective of the Student Centre is to serve as the hub of students' activities to create synergy and spark creativity and innovation among the students.

The run welcomes participation from the alumni and family members, staff and their family members as well as students of TAR UC. It is also opened to members of the public.

In total, there will be eight run categories, charting either 11km or 8km routes. Runners also stand a chance to win attractive lucky draw prizes worth more than RM30,000.
