The musicians delighting the crowd during the night themed 'The Belt One Road – Melody of the Orchestra from the Far East'

LOVERS of Chinese classical music in Penang were treated to an enjoyable night of orchestral music at Tunku Abdul Rahman University College, Tanjung Bungah.

The young musicians from China and Malaysia played to a full house during the night themed 'The Belt One Road – Melody of the Orchestra from the Far East'.

The night started off with a bang as musicians of both countries performed a vigorous number called 'Hao Ri Zi'.
