

TAR UC warns against dubious donation pleas

PETALING JAYA: Tunku Abdul Rahman University College (TAR UC) has clarified that it is not soliciting donations at public places.

The institution, in a statement, said certain individuals claiming to represent TAR UC had been collecting funds supposedly on its behalf.

It urged members of the public not to donate to such individuals.

TAR UC said the matter came to light when it received information that there were individuals seeking donations at public places.

“Requests for donations must be supported by official documents issued by TAR UC.

“All donations must be channelled into TAR UC’s official bank account,” it said.

Details of the types and methods of donations are available on TAR UC’s website at www.tarc.edu.my.
