Title

A Framework for Higher Education 2.0: 21st Century Education for 21st Century Learners

Biodata

Zoraini Wati Abas is a professor at the Faculty of Education and Languages and Director of the Institute of Quality, Research, and Innovation (CQMRI) at the Open University Malaysia (OUM). She was also Director of the Centre for Instructional Design and Technology at OUM, developing a variety of print and e-learning materials for OUM learners. Zoraini specialized in Instructional Technology during her master's and doctoral study. She received her Ph.D. in 1985 from the Northern Illinois University. She has been involved at all levels of education, from pre-school to higher education, in both the government and private sectors. She has written several books and computer dictionaries and published in journals. She was a consultant to TM School Online, Malaysia's first public education portal launched in 1997 and she led the development of e-learning for medical and nursing education at the International Medical University prior to joining OUM. Sharing her passion for ICT-based learning through her weekly columns in two national newspapers, she has written more than 800 articles over a span of ten years
