

Professional Resume

NAME: Wan-Lee Cheng

OFFICE ADDRESS: Room 340, Holistic Village
Chung Yuan Christian University
200, Chung Pei Road
Chung Li District, Tao Yuan City (320),
Taiwan, R.O.C.
Office Phone +886-32651070 e-Mail: wlcheng@cycu.edu.tw
Cell Phone +886-988-125-241

EDUCATION:

**September 1972
to August 1976** Doctor of Philosophy
Major: Industrial Education and Technology, Concentrations:
Graphic Communications, computer applications, statistics
Iowa State University, Ames, Iowa

**June 1971
to May 1972** Master of Education
Major: Industrial Arts
Minor: Mathematics
Sul Ross State University, Alpine, Texas

**September 1964
to July 1969** Bachelor of Engineering
Major: Mechanical Engineering
Chung Yuan Christian University
Chung Li, Taiwan, R.O.C.

PROFESSIONAL EXPERIENCE:

**August 2012
to Present** Chair Professor, and Advisor of the Board of Trustees
Chung Yuan Christian University
Chung Li, Taiwan, R.O.C.

**August 2008
to Present** Project Leader
Elite Study in Taiwan Project
Ministry of Education
Taiwan, R.O.C.

**December 2006
to July 2012** President
Chung Yuan Christian University
Chung Li, Taiwan, R.O.C.

**July 2005
to December 2006** Acting Dean, Dean and Professor
College of Creative Arts
San Francisco State University
San Francisco, California

July 2000 to June 2005	Associate Dean and Professor College of Creative Arts San Francisco State University San Francisco, California
August 1985 to July 2000 (except 1994)	Chairperson and Professor Department of Design and Industry San Francisco State University San Francisco, California
January 1994 to January 1995	Dean and Professor College of Design Chung Yuan Christian University Chung Li, Taiwan, R.O.C.
August 1976 to August 1985	Assistant Professor, Associate Professor, and Professor Coordinator of Graphic Communications Cluster Department of Industrial Technology, University of North Dakota Grand Forks, North Dakota
October 1970 to April 1971	Mechanical Engineer Taiwan Power Company Taipei, Taiwan, R.O.C.

NATIONAL LEVEL PROFESSIONAL LEADERSHIP (Taiwan, Republic of China):

Principal Investigator, Elite Study in Taiwan Program commissioned by the Ministry of Education, Taiwan, R.O.C. (Current)
 Advisor, Board of Trustees of Chung Yuan Christian University (Current)
 Chairman of the Board, the World Chinese Language Education Foundation (Current)
 Board Director, Ya Wen Foundation—A Foundation for Hearing Impaired Children (Current)
 Board Director, European Cultural Foundation (Current)
 Board Director, National Foundation of College Entrance Examination Center
 Executive Commissioner of the Joint Board, National University and College Recruitment Commission
 Board Director, Association of Private Universities and Colleges
 Chairman of the Board, the World Chinese Language Association

Board Director, Tao yuan County Industrial Development & Investment Promotion Committee
 Jury for Golden Pin Design Award—National Design Award Jury Board, Taiwan Design Center
 Reviewer for Faculty Promotions Review Board (Arts and Design Category), Ministry of Education, Taiwan
 Board Member, The Academic Review and Evaluation Committee, Ministry of Education, Taiwan

EXECUTIVE ACHIEVEMENT (Chung Yuan Christian University):

Established and implemented the University Long-Range Strategic Plan (since 2007)
 Completed the National Accreditation for University Affairs with all 5 categories successfully passed
 Completed the National Program Review with all degree programs and disciplines at CYCU passed
 Received National Teaching Excellence Grant by Taiwan Ministry of Education in six years
 Received National Top Research and Development Center Grant in five years
 Awarded one of top ten Industry-Academia Cooperation Centers in the Nation
 Established the University Development Center to engage in university fund raising
 Completed the very first Campus Master Plan
 Established cabinet-level offices for (1) International Affairs, (2) Alumni Services, (3) Industry-Academia Cooperation, (4) Career Development, and Cross Strait Students Services (Mainland Chinese)
 Planned, fund raised, and built the Joint Administration and Services Building--a nine-story and two-level underground parking construction project (1/2 of the 6 Million NT dollars project was funded by the fund raising.)
 Awarded the "Elite Study in Taiwan Project" by the Ministry of Education (6 years), to recruit university faculty and government officials from South and South-East Asia countries to pursue

advanced degree studies in Taiwan.
Established Chung Yuan Christian University Development Foundation in North America (a registered non-for-profit organization) to engage in fund raising

LEADERSHIP AND ADMINISTRATIVE EXPERIENCE (San Francisco State University):

I. Administration:

- University Strategic Planning (CUSP II)
- College Strategic Planning and 5-Year Plan
- Fund Raising for the New Creative Arts Building
- College Budget Planning
- College Technology Planning
- College Physical Master Plan
- College Graduate Studies
- Department Chair Review and Selection
- Faculty Hiring, Tenure and Promotion
- College Staff Hiring and Review
- Enrollment Management
- Technical and Facility Management

II. Curriculum and Program:

- Curriculum and Course Review
- New Program Development and Approval
- Accreditation and Program Review

III. Facility and Equipment:

- New Building Planning
- Facility Management
- Space Management
- Equipment Request and Purchase Approval

IV. Fund Raising and Development:

- Scholarship
- Research Grant
- Instructional Support
- Facility and Equipment
- Instructional Related Activities
- International Art and Culture Exchanges

AWARDS AND SPECIAL RECOGNITIONS

October 2014	Life-Time Achievement Award Mechanical Engineering Alumni Association and Mechanical Engineering Department Chung Yuan Christian University, Taiwan, R.O.C.
December 2013	Tsung Cho-Chang Endowed Chair Professor (2 nd term) Tsung Cho-Chang Education Foundation, Taiwan, R.O.C.
October 2012	Tsung Cho-Chang Endowed Chair Professor Tsung Cho-Chang Education Foundation, Taiwan, R.O.C.
December 2010	Outstanding University President of the Year Ministry of Education, Taiwan, R.O.C.
February 2004	Outstanding Community Leadership and Service Chinese Historical Society of America

January 2003	Outstanding Alumni-Presidential Award Chung Yuan Christian University, Taiwan, R.O.C.
March 2001	Outstanding Alumni Award Chung Yuan Christian University Alumni Association, Northern California
May 2000	Recognition for 15 years of leadership and service to the Department Department of Design and Industry San Francisco State University
March 2000	Distinguished Service Citation and membership (highest recognition) Epsilon Pi Tau, International Honorary Professional Fraternity for Education in Technology
December 1998	Bautzer Faculty University Advancement Award California State University
May 1997	Outstanding International Faculty Award San Francisco State University
November 1994	Outstanding Service award by Chairman Lee Ten Hui Taiwan, R.O.C.
October 1992	Outstanding Professor of Industrial Technology Award National Association of Industrial Technology In recognition for the exceptional performance in the area of excellence in teaching, scholarship and service to the profession and community.
March 1991	Laureate Award Epsilon Pi Tau, International Honorary Professional Fraternity for Education in Technology.
December 1990	Who's Who in America 1990-91 Marquis Who's Who 46th edition Selected department head of ranking administrative officials of major universities and colleges for the exceptional contributions to higher education.
January 1989	Director General's Citation for Outstanding Service. The Coordination Council for North American Affairs, R.O.C. Office in San Francisco.
January 1989	"Contributions to Promote and Support Chinese American in Political, Civic, and Cultural Activities", City and County of San Francisco.
May 1989	Meritorious Performance and Professional Promise Award (with \$2,500.00). San Francisco State University
April 1989	Instructional Development Grant to Develop a "Contemporary Graphics Communication Center", San Francisco State University.
October 1985	Industrial Arts Professional Development Award North Dakota Industrial Arts Association
February 1985	Burlington Northern Outstanding Teaching and Faculty Development Award (with \$2500.00) Burlington Northern Foundation and University of North Dakota

- December 1984** Instructional Development Grant to Develop Instructional Units to Six Existing Courses on Computer Imaging
University of North Dakota
- August 1983** Faculty Development Grant to participate in the CIM Conference (Autofact 5)
Society of Manufacturing Engineers

REFEREED PUBLICATIONS AND CONFERENCE / INVITED PRESENTATIONS:

- November 2015** Presenting “Service Learning—a Key to Chung Yuan’s Holistic Education” at the 2015 CYCU Service Learning Seminar, Chung Li, Taiwan
- November 2014** Presenting “International Talent Cultivation and Opportunities for Thai Elite 600” at the Taiwan-Thailand Higher Education Forum 2014, Kao-Hsiung, Taiwan
- December 2013** Presenting “Elite Study in Taiwan-An International Talent Mobility Project” at the Taiwan-Vietnam Higher Education Forum 2013, Kao Hsiung, Taiwan.
- August 2013** Presenting “Quality Assurance and Accountability in Taiwan Higher Education” at the Taiwan-Florida Higher Education Forum 2013, Miami, Florida.
- June 2013** Keynote Speaker, presenting “Competitiveness of Taiwan Higher Education” at the Executive Conference on International and Cross-Strait Affairs, 2013, sponsored by Ministry of Education Taiwan, R.O.C. and Foundation for International Cooperation in Higher Education of Taiwan, Taipei, Taiwan.
- June 2013** Keynote Speaker, presenting “To Serve and To Be a Responsible Citizen” at the Convocation Ceremony for the Class of 2013, National Kaohsiung University of Hospitality and Tourism, Kaohsiung, Taiwan.
- December 2012** Keynote Speaker, presenting “Well Rounded Thinking and Strategies to Enhance Teaching Quality in Higher Education” at the Teaching Excellence Conference, sponsored by Chinese Culture University, Taipei, Taiwan.
- November 2012** Presenting “Academia-Industry Cooperation—Successful Chung Yuan Model” at the Importance of University Advancement and Strategies Forum sponsored by the Association of Private Universities and Colleges at Fu Jen Catholic University, Taipei, Taiwan.
- November 2012** Keynote Speaker, presenting “Creativity, Design and Beyond” at the Second Annual Cross Strait Creativity and Design Forum, Xiamen, China.
- July 2012** Presenting “Implementation of Holistic Education at Chung Yuan Christian University” at the Fourth Annual Taiwan-Florida Higher Education Conference, Tai Chung, Taiwan.
- June 2012** Presenting “Preparing Well-Rounded College Graduates is Essential for Keeping Quality Assurance in all sectors of Industry and Business” at the Third Annual Cross-Strait Quality Forum, Xiamen, China.

- March 2012** Presenting “Talent Mobility and Cultivation of Higher Education between Taiwan and Thailand”, Taipei, Taiwan
- December 2011** Presenting “Universal Design: Designer’s Social Responsibility” at National Kaohsiung Normal University, Kaohsiung, Taiwan
- December 2011** Presenting “Industry-Academia Cooperation—Blue Ocean Strategy” at the First Taiwan-Japan University Presidents’ Forum, at TamKang University, Taipei, Taiwan
- December 2011** Presenting “Chung Yuan’s Model of Talents Preparation and Education Cooperation Between Taiwan and China Higher Education Institutions” at the Third Annual Guangdong-Taiwan University Presidents’ Forum” Guangzhou, P.R.C.
- December 2011** Presenting “ University Strategic Planning and Implementation” at Hau-Chiao University Leadership Training Program, Chung Li, Taiwan
- October 2011** Presenting “Republic of China 100--Higher Education Development in Taiwan” at the World Conference of Patriotic Alliance, Taipei, Taiwan
- October 2011** Moderating and commentating the Young Designers’ Creativity Session, at the International Design Alliance(IDA) Congress, Taipei, Taiwan
- May 2011** Presenting “Service Learning as the Way to Accomplish Holistic Education” at Yu Da University of Science and Technology, Mio Li, Taiwan
- February 2011** Presenting “Industry-Academia Cooperation @ CYCU, Taiwan” at the Conference on Taiwan-Thailand Education Cooperation Program” Bangkok, Thailand
- January 2011** Presenting “Holistic Education—Chung Yuan Christian University Example” at Fu Dan High School In-Service Training Workshop, Chung Li, Taiwan
- November 2010** Presenting “Character Education, Service Learning, and Social Responsibility” at Tao Yuan District Rotary Club, Tao Yuan, Taiwan
- May 2010** Presenting “The Relationship between the Student Affairs and Academic Affairs at Higher Learning” at the 2010 International Conference on Higher Education and Student Affairs, at National Taiwan Normal University, Taipei, Taiwan
- May 2010** Presenting “The Blue Ocean Strategy of Industry and Academia Cooperation on University Campus” at Shanghai-Taiwan Higher Education Forum, Shanghai, P.R.C.
- May 2010** Presenting “Service Learning as a Practical Adaption for Character Education” at Taipei Campus, Ming Chuan University, Taipei, Taiwan
- December 2009** Presenting “Service Learning as a Practical Adaption for Character Education” at Da Tung University, Taipei, Taiwan
- This topic was also presented at
National Cho Tong University in September 2009;
Jen Li University in March 2009;
Ming Chuan University (Branch Campus) in February, 2009

- December 2009** Presenting “General Education Prepares a Well Rounded College Graduate” at Higher Education Forum Sponsored by the Private University Association of Taiwan, at TamKang University, Taipei, Taiwan
- November 2009** Presenting “Implementation of Excellent General Education at Technology Oriented College Programs” at Annual Conference of Technological and Vocational Education, at National Taipei University of Science and Technology, Taipei, Taiwan
- November 2009** Moderating the 3rd Session of the Conference on Humanities and Technology Management in Higher Education
- November 2009** Presenting “Moving Toward an internationalized Higher Education Institution—Chung Yuan Christian University Experience” at Shanghai Normal University, Shanghai, P.R.C.
- March 2009** Presenting “How a College Professor could lead his/her students to a Life-long Learning” at Hsin Wu Technological College, Tao Yuan, Taiwan
- This topic was also presented at:
Ming Hsing University of Science and Technology, Hsin Chu, Taiwan
- May 2008** Presenting “Education Philosophy for Next Generation—Service Learning and Character Building” at R.O.C Military Academy, Kaohsiung, Taiwan
- April 2008** Presenting “How to Implement a Campus -wide service learning: Goal, Policy and Strategy” at Tunghai University, Taichung, Taiwan.
- March 2008** Presenting “Creativity, Cultivation and Communication” at 2008 International Creativity Education Conference, Kaohsiung, Taiwan
- February 2008** Presenting “Service Learning: Past, Present and Future” at Ming Chuan University, Taipei, Taiwan
- This topic was also presented at
National Kaohsiung Hospitality College, Kaohsiung, February 2008;
Chang Gung University, Tao yuan, February 2008;
Jinwen University of Science and Technology, Taipei, December 2007;
Lan Yang Institute of Technology, Yi Lan, November 2007;
National Cheng Kung University, Tainan, October 2007;
National Taiwan Normal University, Taipei, September 2007
- January 2008** Presenting “From Holistic Education and Service Learning” at the Asia Pacific Federation of Christian Schools Leadership Conference, Taipei, Taiwan
- December 2007** Presenting “Promoting and Developing Interdisciplinary Degree Program at Traditional University Academic Structure” at the National Public Policy Forum, National Cheng-Chi University, Taipei, Taiwan
- December 2007** Presenting “Education Philosophy for Next Generation—Service Learning and Character Building” at Chuan Yuan Christian University, Tao Yuan, Taiwan
- November 2007** Presenting “Design Education in the United States—an Analysis of Its Rationales and Formation” at National Taiwan University of Arts, Taipei, Taiwan

- July 2007** Presenting “Service Learning” at the Student Affairs Committee Meeting, Ministry of Education, Miao Li, Taiwan
- February 2006** Co-Presenting with Hsin Yen Shieh “ Graphic/Visual Communication Design Curriculum in the United States” at the International Symposium on Art and Design—Shaping the Future of Art and Design Education”, Florence, Italy
- December 2005** Cheng, Wan-Lee, and Kristen Gates, “U.S. Market Trends: Wireless Personal Communication Devices”—Final Report for a research grant funded by Taipei Design Center, San Francisco
- December 2005** Cheng, Wan-Lee, and Kristen Gates, “U.S. Market Trends: Digital Photo Products”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- November 2005** Cheng, Wan-Lee, and Hsin Yen Shieh, “Design Trend Study for Portable Personal Entertainment Electronics in the U.S. Market”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- November 2005** Cheng, Wan-Lee, and Enon Chia, “The Design Trend of Baby Strollers and Car Seats in Current U.S, Market”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- May 2005** Cheng, Wan-Lee, and Victoria So, “How to Create and Deliver an Effective Presentation”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- November 2004** Cheng, Wan-Lee, and Enon Chia, “A Study of Six Most Popular Home Use Bench-Top Woodworking Power Tools Among Three Major Brands in the American Market”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- October 2004** Cheng, Wan-Lee, and Victoria So, “A Market Study in Digital Television and Home Theater in a Box System”— Final Report for a research grant funded by Taipei Design Center, San Francisco
- March 2004** Presenting “The Status and Future Trends of Integrating Digital Imaging into University Photography Education” at the second Annual International Digital Photo Imaging Conference, Dalien, People’s Republic of China
- February 2003** Cheng, Wan-Lee, “Portable Document Format (PDF)-Finally, a Universal Document Exchange Technology”, The Journal of Technology Studies, 28 (1), 59-63
- June 2002** Presenting “Internationalized Design Education” at Shanghai Teachers University, Shanghai, People’s Republic of China
- May 2002** Cheng, Wan-Lee, “The Future of Design Education—Integration of Art, Humanity and Technology”, The Journal of Chinese Arts and Literature
- February 2002** Cheng, Wan-Lee, Beth Nahom, and Others, “Human Interface Design Study with Selected Consumer Electronic Products”— Final Report for a research grant funded by Taipei Design Center, San Francisco

- December 2001** Cheng, Wan-Lee, Beth Nahom, and Others, "A Comparison Study With Selected Whirlpool and General Electric Home Appliances"— Final Report for a research grant funded by Taipei Design Center, San Francisco
- March 2001** Cheng, Wan-Lee, Lynne Andonian, and Others, "A Study of Ten Best Selling and Five Market Potential Office Products"-- Final Report for a research grant funded by Taipei Design Center, San Francisco
- March 2001** Cheng, Wan-Lee, Lynne Andonian, and Others, "A Study of Ten Best Selling and Five Market Potential Hand Held Tools"-- Final Report for a research grant funded by Taipei Design Center, San Francisco
- October 1999** Presenting "Portable Document Format (PDF)-The Universal Document Communication Technology" at the Art, Humanity, Technology-An International Design Conference & Exhibition, Chung Li, Taiwan
- October 1999** Cheng, Wan-Lee, "Portable Document Format (PDF)-The Universal Document Communication Technology", Conference Selected Paper Chung Yuan Christian University
- October 1998** Presenting "Portable Document Format—the Next Generation for Digital nformation Delivery" at the 31st National Association of Industrial Technology Annual Convention, Indianapolis, Indiana
- January 1996** Presenting "Quality, Characteristics, and Vision of the Department of Design and Industry" at Creative Arts Chair Council Meeting, San Francisco State University
- October 1995** Cheng, Wan-Lee, and Others, "Visual Communication Design with Computers", A Research and Development Project, Ministry of Education, Taiwan, R.O.C..
- December 1994** Cheng, Wan-Lee, " Ten-Year Long-Range Development Plan for College of Design, Chung Yuan Christian University", A Final Report, Chung Yuan Christian University, 1994
- December 1994** Cheng, Wan-Lee, " Introduction to American Higher Education, and How to pursuing Graduate Studies Abroad", Career Review, Chung Yuan Christian University, December, 1994
- May 1994** Cheng, Wan-Lee, "The Importance of General Education as a Part of Higher Education, and A Suggested Model for Taiwan’s Higher Education Curriculum", Educational Review, Ministry of Education, R.O.C., May, 1994
- June 1993** Presenting "Microcomputer Applications: From Computer Graphics, Desktop Publishing, to Computer Integrated Multimedia" at Electronics Management Workshop Fremont, California
- November 1991** Presenting "Design and Industry: Concepts and Contents" at Industrial Board Meeting San Francisco, California

- October 1991** Presenting "The Philosophical base of Design in Arts and Technology" at Chairs Council Retreat
San Francisco, California
- July 1989** Presenting "General Education in Higher Education" at National Development Seminar of Republic of China
Taipei, Taiwan, R.O.C.
- April 1988** Presenting "Desktop Publishing and Presentations" at San Francisco State University/Apple Computer, Inc. Faculty Seminar
San Francisco, California
- October 1987** Presenting "Desktop Publishing Technology--What? How?" at the 20th Annual Conference of National Association of Industrial Technology
Nashville, Tennessee
- October 1987** Cheng, and Keith Stenehjim, "Teaching Total Stopping Distance--Using Microcomputer Simulation", Journal of Traffic Safety Education, Vol. XXXV, No.1, October, 1987.
Normal, Illinois
- October 1986** Co-Presenting "Applied Technical Research: Key to the Future for Industrial Technology" at the 19th Annual Conference of National Association of Industrial Technology
Normal, Illinois
- February 1986** Presenting "An Alternative Approach--Teaching High Technology with Mobile Laboratories" at the California Industrial Education Association 57th Annual Conference
Los Angels, California
- July 1985** Presenting "Computer Aided Design/Drafting Technology" at Kaohsiung Regional Instructional Computer Applications Institute
Kaohsiung, Taiwan, Republic of China
- March 1985** Presenting "Introducing Computer Graphics into the Classroom" at the American Industrial Arts Association International Conference
San Diego, California
- October 1984** Presenting "Introduction to Computer Graphics" at North Dakota Teachers Convention
Bismarck, North Dakota
- August 1984** Cheng, Wan-Lee and Roger Anderson, "Why Not Use the Micro Computer Again -- To Process a Roll of Black/White Film" Visual Communications Journal, August 1984
- April 1984** Author and Co-Author of eight computer programs in a book titled "Computer Programs for Industrial Arts/Technology Education," published by the Goodheart-Willcox Company, Inc.
- March 1984** Cheng, Wan-Lee, "A Comparison of Tone Reproduction Characteristics Between the Two-Aim Point and the Three-Aim Halftone Reproduction Methods," The Technology Teacher, Vol. 43, No. 6, March 1984
- September 1983** Cheng, Wan-Lee, "Make Pictorial Projections Easier, Faster with This Microcomputer Program," School Shop, Vol. 43, No. 2, September 1983

- August 1983** Presenting "Introduction to Computer Graphics" at the North Dakota Annual All-Service Vocational Education Conference
Bismarck, North Dakota
- December 1982** Cheng, Wan-Lee and John Sinn, "Use a Computer for Cost Analysis,"
School Shop, Vol. 42, No. 6, August 1982
- August 1982** Cheng, Wan-Lee, "Find Exposure Data with a Computer," School
Shop, Vol. 42, No. 1, August 1982
- August 1982** Cheng, Wan-Lee, "Microcomputer Application in the Graphics Lab:
Copy Fitting and Halftone Exposure Calculations," Microcomputers in
Vocational Studies Center, School of Education, University of
Wisconsin, Madison, Wisconsin (A handbook), August 1982
- August 1982** Presenting "Introduction to Microcomputer Applications" at the North
Dakota Twelfth Annual All-Service Vocational Education Conference
Bismarck, North Dakota
- March 1982** Cheng, Wan-Lee, "Using Computers in Graphic Arts," School Shop,
Vol. 41, No. 8, March 1982
- November 1981** Wolansky, W.D., J.N. Riley, and W.L. Cheng, "Determining Inservice
Needs of Vocational Teachers," Iowa State Journal of Research, Vol.
56, No. 2, November 1981
- October 1981** Presenting "The Photographic Process" at the North Dakota Teachers'
Convention
Minot, North Dakota
- August 1981** Presenting "Silver Recovery Processes" at the All Service Vocational
Education Conference. Bismarck, North Dakota
- August 1981** Cheng, Wan-Lee and Luvern R. Eickhoff, "Silver Recovery,
What? Why? How?" International Visual Communications Journal,
Spring 1981
- March 1981** Presenting the research project findings at the American Industrial Arts
Association Conference, "Silver Recovery, What? Why? How?"
Pittsburgh, Pennsylvania
- March 1980** Presenting the research project findings at the American Industrial Arts
Association Annual Conference, "Influence of Pressure Upon the
Chemical Bonding of Wood"
St. Louis, Missouri
- November 1978** Cheng, Wan-Lee, "Industrial Arts -- Systematic Approach Creates
Useful Student Evaluation," Outlook: North Dakota Education, Vol. 11,
No. 3, November 1978
- October 1978** Presenting the research project findings at the North Dakota Annual
Teacher Convention, "Pressure Required to Achieve a Chemical
Bond Between Wood Species"
Bismarck, North Dakota
- January 1975** Cheng, Wan-Lee, J. Barry Duvall, and Earl Yarbrough, Strategies for
Implementing Metric in Graphic Communications," International
Visual Communications Journal, Spring 1975

April 1974

Presenting the research project findings at the Summit Meeting of Vocational Technical Teacher, Educator and Selected Personnel, "Needs Assessment to Develop a Professional Profile of Practicing Vocational Technical Teachers in Iowa"
Des Moines, Iowa

COURSE READER DEVELOPMENT:

Introduction to Computer Aided Drafting, 17th Edition, San Francisco State University, June, 2000

Microcomputer Applications in Graphic Technology, 14th Edition, San Francisco State University, August, 1999

MAJOR MICROCOMPUTER SOFTWARE DEVELOPMENT:

Computer Aided Copyfitting--Macintosh Version, 1990

Inter.5 Keyboard Entry CAD package

Quality Control Chart Program (QCCP), published by Kern International, Inc., Duxbury, Massachusetts

Vehicle Stopping Distance, published by the Jag Software, Inc.
